

Rate Contract for purchase of LCD Monitors to replace the existing CRT Monitors for a period of one year.

Due to environmental concerns and saving the precious energy, the proposal for purchase of LCD Monitors to replace the existing CRT Color Monitors and Rate Contract thereof was approved by the Hon'ble Chief Minister Haryana vide note dated 26.02.2010. As per proposal, a CRT Color Monitor consumes around 95 watts power & latest TFT monitor of 18.5" size consumes around 20 watts. Hence, there is a saving of around 75 watts. Considering the AMC cost/repair charges of CRT monitors, energy saving cost, buy back price of CRT monitor and space saving etc. the investment on the purchase of LCD monitors could be recovered in around 3 years. In addition to the main advantages of replacing CRT monitors with LCD monitors are as under:-

- a. Better Picture Quality- Higher Contrast Ratios, Reduced Flicker
- b. Lesser Eye Fatigue- No Electromagnetic Radiations; Higher Employee Productivity
- c. Eco-Friendliness- Go Green with 98% reduction in Lead & environmentally hazardous material.
- d. Lighter Weight- Easy and Flexible for Administrative Handling and Transportation.
- e. Space Saving- *Due to compact size of LCD Monitors.*

The benefit of replacing CRT monitors with LCD monitors would also be passed on to the citizens of the State in addition to the State Govt. Departments/Organizations. This would fulfill the vision of the State to pass the benefit of the IT services to the common man on a very competitive offer. On trial basis, HARTRON would pass the benefit of the scheme in all the districts from 01.07.2010 as a service for common masses through HARTRON approved workstations apart from supply of these monitors to the State Govt. Departments/Boards/Corporations.

The Corporation would not charge any Consultancy from BPL card holders, Scheduled Castes, Backward Classes and small Farmers of Haryana State. In other cases, the Corporation would charge 6% Consultancy charges, accordingly, the Corporation is in the process of arranging LCD monitors at District Headquarters in the State for common masses. However, till then they can send their supply order with 100% advance payment in the name of HARTRON, Chandigarh on the below mentioned address and delivery will be made immediately but not later than 4 weeks.

Haryana State Electronics Dev. Corpn. Ltd. (HARTRON)

SCO-111-113, Sector-17-B, Chandigarh-160017
